Judy Grosvenor, General Manager
Manager Remarks
July 14, 2017

Yes, It's True - - I'm Retiring From the Workforce.... It is bittersweet too soon to be leaving this wonderful community called Seven Lakes. Bitter in that I will miss the residents; volunteers; the Board; day-to-day challenges of the operation; the fellowship of the 50+ employees and just in general, all things at Seven Lakes, but it will be sweet to be able to spend more time with my husband and family; play more golf and possibly become a decent player; sleep in a bit later in the morning; and do some traveling. Over the past few years, Seven Lakes' residents have shown me how enjoyable retired life can be, so much so, that I decided it is time to follow suit and retire myself!

Working as the Seven Lakes General Manager has truly been a remarkable experience. I have loved the many challenges and diversity in the tasks at hand. I always looked forward to coming to work each day wondering what might be waiting for me on this day and how I might be able to find the appropriate solution. Some days may have been somewhat hectic, maybe a resident driving a car on the golf course, a leaking roof, a person stuck in an elevator, or removing a seven-foot alligator from the lakes. Other days may have included multiple Board, committee, or condominium meetings, appointments with residents, and producing deliverables to meet impending deadlines. I remember one week in January in which I was scheduled for 34 meetings; it was budget time and all of the condominiums had their budget meetings in addition to a few other appointments on the calendar! There have been days when the local Emergency Management Services were onsite to attend to an injured resident or respond to an alarm and other days when Law Enforcement officers were onsite to address a problematic tenant or vehicle collision. On the other end of the spectrum, there were days when the employees joined forces with residents to play golf, bocce ball, and other games to build camaraderie and get to know each other a little bit more, days that residents brought in goodies for employees to enjoy, and days when the chorus was singing, concerts were performed in the auditorium, treasures could be purchased in the auditorium, and of course, the days that holiday lights are illuminated.

All of these are the events that constitute what I have coined "Seven Lakes Normalcy," representing what goes on in a community of this size. I will indeed miss this *normalcy*. My last day will be August 18th and until then, I will be busy trying to finish up a few open projects. The Board is working diligently on recruiting the next general manager, so I am hoping to have those loose ends tied up before the new GM comes in!

Actions of the Board at their June 28, 2017, Board Meeting:

- Approved two Architectural Requests: 1) Condominium 39/1772 to add brick pavers off lanai in rear of unit; and 2) Condominium 49/107/5 to install a 15' x 9' screen wall in the color white.
- Approved the revised Seven Lakes Golf Rules and Guidelines, and approved a 9-Hole Scramble on March 11, 2018 for the Pickleball group; both actions were recommended by the Golf Committee.
- Approved a contract with Greenway Landscape Supply/MLC for landscaping improvements at Condominium 22 in an amount not to exceed $4,974.00.
- Approved a contract with West Coast Pavers, Inc. for installation of pavers on the 1st floor walkway of Condominium 24 in an amount not to exceed $29,075.00, plus a 10% contingency for a total authorization not to exceed $31,982.50. This contract will not be executed until a formal vote by the Condominium 24 owners is held for paver selection and officially passed.
- Tabled consideration of an automatic door opening system for the Seven Lakes Library until more information can be obtained regarding replacement of the door itself.
- Approved a contract with Beach Bungalow Blinds for a Bingo board blind and auditorium blackout blinds in an amount not to exceed $8,307.02.
- Approved a contract with MKP Studio Koncepts for auditorium stage curtains in an amount not to exceed $6,751.14.
- Approved the guidelines for the *Ad-Hoc* Informational Technology Committee.
- Approved a revision to the Tee Room summer hours of operation with an opening time of 8:00 a.m., seven days a week, beginning June 30, 2017.

The Healing Power of Music

Friday, July 14, 1:30 p.m.
Auditorium, $5.00 per person

Life in Seven Lakes is usually quite fun, but life in general can often throw curve-balls at you. Everyday stress, loss of a spouse or friend, chronic and/or terminal illness, memory difficulties, the evening news....sometimes it seems the days are getting harder and harder.
It's good to have someone like *Gayle Cohen* to help us cope.

She is a Singer, Musical Actress, and Keynote Speaker who tours the country with her original seminar "*The Healing Power of Music*". She shares firsthand experiences and teaches how to use music in healing Body, Mind and Spirit. Possessing as wonderful a voice as her wisdom, she will also sing some of your favorite songs as she demonstrates her subject matter. Afterward, she will do a "meet & greet" at which time we will serve light refreshments. Learn to take your power back through the Healing Power of Music!!!

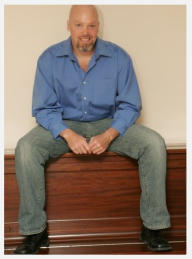
Building up the Spirits!

A few new offerings have made their way to the Auditorium Bar. We have recently added ***AmberBock*** and ***Modelo*** to our beer list, and a ***Greg Norman Shiraz/Cabernet*** and ***Beringer Moscato*** to the wine list. Wine and Beer tokens still cover the price. Some of these may be limited-time only and some may become permanent additions.

Either way, ENJOY!

cheers

Let's Be Social!



Bubba will be here on Thursday, ***July 27th.***
The Bar opens at 4:30 p.m.
A light meal is served around 4:45. There is live entertainment from 5:00 - 7:00 p.m.

In the Spotlight Summer Concert!

TRYING IT AGAIN!

CRUZIN VIBES
AUGUST 17TH, AUDITORIUM
BAR: 6:30 P.M.; SHOW: 7:00 P.M.
$7.55 + tax ($8.ish) pp

The old adage clearly states: "If at first you don't succeed, try try again!"....and that's just what we're doing! What SHOULD be Summer Concert #3 will HOPEFULLY be Summer Concert #1. Between illnesses and injuries, we've had to cancel the first two.

We do believe the third time will be the charm, though, and this one will easily make up for the other misses. Join us as ***Cruzan Vibes*** bring their steel drums and island vibes to our stage! The low, low cost of $8.00 (with tax) is all it takes to get a seat. We'll throw in the fun for free! Don't forget your drink tokens!

Blood Drive

August 7, 2017
12:00 p.m.–4:00 p.m.
Pavilion Parking Lot
Please call Karen in Recreation at (239) 481-6061 to schedule your appointment!

"***The Ad Hoc Informational Committee*** is gathering information from Seven Lakes members to examine future needs for our upcoming bulk cable TV renewal in December 2019. The Committee would like to learn what services our residents are currently using, and what they might like in a future contract. Residents with emails on the Seven Lakes website will be sent an eblast with a link to the survey, which can be completed online. For residents who prefer a paper copy, the survey is included in this newsletter. The completed survey can be dropped off in the Association Office for use by the Committee. Also, the link to the survey will be included on the Seven Lakes website on the home page (sevenlakesgolfandtennis.com). The survey takes about two minutes to complete, and **surveys must be completed or submitted to the office no later than July 26th**.

Recreation continued on page 13

Splish Splash!

It looks as though our Water Workout classes will continue through the summer. Though we recently lost ***MacKenzie***, we have found ***Megan***! Those who have already gotten wet on her account speak very highly of her! She will continue on with the same mornings (Monday & Friday) BUT she will lead the class from 8:00 - 9:00. Outside of the time change, everything else will remain the same...checks will still be made out to ***Fit Forever***, and the cost is still $10 per class or a 10-class card may be purchased for $63.00.

PLEASE NOTE: THERE MUST BE A MINIMUM OF 5 TO KEEP THIS CLASS GOING!

So what are you waiting for? Dive in to the great workout that is also a lot of fun!

4th of July Spirit!

Pat and Steve Swanson stopped by the Recreation Office to say hello after spreading 4th of July spirit to the beachgoers at Ft. Myers Beach.

Bocce

We keep hearing "I would like to learn to play Bocce".
Now is the time to learn! There are a few "old timers" keeping the game alive during the summer months.
Come out to the courts any Wednesday or Saturday at 9:0 0 a.m.
Hope to see a few of you there!

WANTED ALIVE

Do you have a car? Do you have a driver's license? Do you have ANY spare time on your hands? Want to feel good AND make a difference in people's lives? Then I have just the job for you. The pay ain't great but you'll meet lots of new friends and they will be very grateful.
Your F.I.S.H. organization here at Seven Lakes is in desperate need of drivers to take fellow residents to medical appointments. Just how desperate are they, you ask? We have a load of names but only about 3 are here year round and a few more are available but only for one or two days out of the week.
It doesn't require much, Volunteer drivers do NOT lift or assist residents. They MUST BE AMBULATORY (or have their own assistant present). All that is required is that you pick up the resident at their home, take them to the doctor or clinic, wait for them and return them home. Most trips only take a couple of hours out of your day. And you get to decide how often you can do it. Obviously the more time you have to give will bring more and more smiles to the faces of the other volunteers. Especially the ones who have to call around trying to wrangle up a driver.
So, please give it some thought will you? You can call me (Caroline) at home: 481-4459. But if it is for anything else please call the F.I.S.H. number: 482-3474.

Golf Outing Hullabaloo

We've never really had an issue with this before but, this past year, several groups came to us to reserve a room for the same day as their 2018 golf outings. Possibly due to the fact that SO MANY MORE groups are trying to do golf outings than ever before, things got backed up, what with the Golf Committee and/or the Pro Shop trying to please everyone. The result being, groups were not getting their requested days for their scrambles and, hence, were needing to change the days that they had room reservations for. THEN, they were getting approved for days that OTHER groups had room reservations for. OY! We are happy to report that everything seems to be finalized now and the 2018 schedule appears to be thus:

- **Employee Golf Outing** will be on **October 30th**
- **Night Golf** will be on **December 4th**
- **Seven Lakes/LCSO** will tee off on **January 5th**
- **Night Golf II** will be on **January 29th**
- **Ohio Golf Scramble** will be on **February 18th** and they have the **Auditorium** reserved
- **Wisconsin/Midwest Golf/Dinner** will be on **February 25th** and they will be in the **Atrium**
- The **Canadian Golf Outing** will also be on **February 25th** and they will be in the **Auditorium**
- **Condo 21A/21B** will golf on **March 4th**; currently, no room has been requested by them
- **Night Golf III** is on **March 5th**

"Ministering to the needs of God's Children"

Christian ♦ Nondenominational

Our sincere appreciation to all who joined us at Bill's Church Service and reception. Thanks to Jimbo, Mel, Tom and Florence for their kind words, to the Men's Club for their generous donation to the Shriner's Hospital for Children, to R.O.M.E.O.'s I and II for the plaque, those who sent food and flowers, donated to other memorials, gave masses and to those who sent more than one-hundred cards of sympathy.

Also to Jordan and the Recreation Department for the flyer's and their help at the reception. We are overwhelmed with the love and support of our Seven Lakes Family.

Phyllis, Bill Jr., Malia, Judy & Susan

Gerry Campbell, wife of Al, passed away on Saturday, June 17th .

Al and Gerry have lived at Seven Lakes for many years and enjoyed the company of many dear friends.

Gerry will be missed by her family and friends and all that knew and loved her.

A Thought for your Penny....

Ever since we switched to our new pricing system (which was necessary for us to be able to accept credit cards and the oh-so-popular Seven Lakes Green Cards), we have been bombarded with the same question, OVER and OVER.....the question being, "What's with the penny?" The answer is quite simple really, TAX! Our old system was set up to allow us to set a price at an even amount and it would back out the taxes for a base price. This enabled us to always sell a ticket for an even round number like $8.00 or $10.00 or any .00 amount. This newer system operates starting with the base price, then adds the tax and it also carries an extra decimal point. So, when we figure a price of $8.00, we have to enter a base price of $7.55. If you add the 6% sales tax, that comes to $8.002. If you buy one ticket you will end up at $8.002 which will round down to $8.00. Using this example, you can even buy two tickets for $16.004, which will round down to $16.00. BUT, if you buy three, now you are at $24.006 which will round UP to $24.01. Which is exactly how the IRS wants it! YOU may not care about that penny, WE may not care about that penny, but you can bet that same penny that the IRS wants that penny! Why bother explaining this to you all? Because, quite frankly, if we had a penny for every time someone asked us "What's with the penny?", we wouldn't need your pennies!
