Tim Day, General Manager
March 2, 2018
Message from the Manager

I hope everyone marked their calendars for March 7, 2018, for the Annual Board Meeting. The Seven Lakes community will be choosing three members to serve on the Board for the next two years. In addition to that, the Board is required to appoint members and possibly re-appoint members to all the committees. The Board President and the Liaison to each committee will choose a Chairperson for those committees. If you are interested in participating on a committee, and we wish you would, please fill out an application and submit it by March 7th. You can either stop by the Association Office to pick up an application or simply download one from the website. For those of you who are not familiar with the committees, they are as follows:

- Architectural Review
- Golf Committee
- Grounds/Landscape Committee
- Recreation Committee
- Safety & Security
- Tennis Committee
- Long-Range Planning Committee
- Rules Violation Hearing Committee (which is appointed as needed)
- *Ad-Hoc* Finance Committee
- *Ad-Hoc* Insurance Committee
- *Ad-Hoc* Informational Technology

Residents can serve on the same committee for three consecutive years then are required to take off a year before rejoining that committee. If you wish to serve on an *ad-hoc* committee, you may also be a member of a standing committee at the same time. *Ad-hoc* committees generally are assembled for a specific purpose and then disbanded after they have accomplished their task. I encourage everyone to participate in a committee because everyone's ideas are important to the success of Seven Lakes.

In the coming weeks, the Board will be re-addressing the Green Card issue. Currently, we are looking at developing policies for use of the cards. The Board is expected to make this decision in March or April. Another important decision the Board will be making is the replacement of the two (2) pumps that discharge the storm water from Seven Lakes. The Board has discussed this issue, and a decision is on the horizon. The current pumps are approximately 40 years old and have a limited amount of life expectancy left. Our pumps have done a remarkable job over the years, but the new pumps will be much more efficient and will not require the level of maintenance like the old ones.

As everyone probably realizes, I receive concerns from residents regarding issues that are safety concerns, one of which is smoking in common areas of the condominiums and the Atrium. In both areas, smoking is prohibited; we ask that you move away from those areas when smoking for the comfort and safety of others.

Another issue that I have received numerous comments on is on speeding within Seven Lakes. Please abide by the posted speed limit of 15 miles per hour; lives depend on it! It is so easy to go a bit faster, but the 5-10 miles per hour can be the difference of striking a cyclist, golf cart, or pedestrian. The outcome is extremely dangerous and cannot be undone. Also, please remember that when riding a bike or a golf cart through Seven Lakes, you are required to abide by Motor Vehicle Laws which means the use of proper signaling, speed of vehicle, and use of lights in the evening.

See everyone at the Annual Meeting on March 7th!!!!

Tales of Travel and History

We are proud to bring Professor Adrian Kerr back to our hallowed halls on select Wednesdays in the Large Card Room. Now pay attention because we're going to do things a little differently with his presentations. To attend, you must sign up in the Recreation Office. The cost is $10.00 BUT you will pay him directly with cash or check. Checks should be made out to Adrian Kerr and cash payments should be in the exact amount (he's a professor, not a bank).

Wednesday, March 21—2:00 p.m.

Alcohol: History of Use and Abuse

Wednesday, March 28—2:00 p.m.

Old Testament Stories

We will have a couple in April and if all goes well, we'll tack on a couple in May also!

Our Seven Lakes Board of Directors presents a check to the Lee County Sheriff's Office at the Board Workshop on February 21, 2018. $6,500 was raised at the Golf Outing held on January 5 and will benefit the Sheriff's Youth Activity League. Next year's goal: $10,000!

Our Seven Lakes Men's Club recently donated $300.00 to our Library, in honor of long-time residents ***Peter & Gen Caleca***. Sadly, the Calecas are moving out after 33 years. Part of this donation has been used to subscribe to two woodworking magazines, ***Scrollsaw Woodworking*** and ***Woodcarving Illustrated***. What better way to honor Mr. Caleca, wood-carver extraordinaire?

St. Pat's Dance
March 17, 2018
Bar opens at 6:30
Dance 7:00—10:00 p.m.

AH! It's time once again to celebrate the death of the patron saint of Ireland, ***Patricius***. Legend has it that, among his many feats, he banished all the snakes from Ireland and turned a walking stick into a tree (apparently, green beer had a few side effects back then). So, aye, he was a great guy and, nowadays, we here in Seven Lakes honor his memory with good food, colored beverages, and a bit of dancing. Enjoy the buffet at the Tee Room (11:00—5:00, $11.95) before heading over to the Auditorium for a craic. We'll be dancing the night away with The ***Dazzling DelRays***! So, may the cat eat you and the devil eat the cat, whatever that means. Better yet, may the road rise up to meet you….and then follow it down to the Recreation Office to purchase your $12.00 (plus tax, per person) tickets. Don't be a whanker or act the maggot by forgetting your drink tokens! No drink tokens = no green ale...and we'll hear no olagonin' about it!

STUFF YOUR GOB at THE TEE ROOM for $11.95! 11:00 a.m.—5:00 p.m.

- Stuffed Cabbage
- Boiled potato
- Corned Beef and Cabbage
- Salad Bar
- Bread Pudding
- Dinner rolls

Call To Post

It's coming up quick, just around the bend. Hard to believe, but true. The Kentucky Derby Day will be held in the Auditorium on Saturday, May 5th. This is one of our most popular events BUT it can't happen without the MANY volunteers who participate each year.
It's hard to control so many volunteers so, each year, we hold an organizational meeting a few weeks before said Derby. This year, we will meet on Friday, March 30 at 2:00 p.m. in the Activity Room. Come one, come all! See you there!

Trash and Treasure

Tuesday, March 20
9:00 a.m.—12:00 p.m.

It has been said that one man's trash is another's treasure. Well, on March 20th, our Auditorium will become the "Dumpster of Dreams"!
You may sell your knick-knacks or shop 'til you drop! If you would like to reserve a table to SELL your stuff, come see Idith in the Recreation Office. In the interest of fairness, we will allow ONE table per person or couple. Fair warning: we have caught on to the old I-need-a-table-and-my-spouse-needs-a-table-too trick!

Join us for an evening of Mystery, Murder, & Music!

FOOT-N-MOUTH

On Wednesday, March 14, at 1:00 p.m. in the Large Card Room, all are invited to come listen to the Doctors Desai! ***Dr. Sam Desai, DDS*** is a local dentist and he will discuss ways to keep your smile healthy. His wife, ***Mrs. Dr. Sandra Desai, DPM*** of ***Lee Podiatry*** will then discuss ways to keep your feet healthy. Their belief is that a healthy smile and healthy feet lead to a healthy heart. For the last several years running, the good Doctors Desai have generously provided our Library with magazine subscriptions and covers. Let's return their benevolence by attending their discussion! **It is a no-cost event but we do ask that you sign up in the Recreation Department.**

On February 2nd and 3rd, ***Susan Vinson***, Seven Lakes Pickleball Player, participated in a tournament at Wakehatchee Rec Center. Susan placed 2nd in both Women's Doubles and mixed doubles. These wins qualify her to play in the Senior Olympics in New Mexico this summer.

Congratulations, Sue!!

Please be aware of your responsibility for the maintenance of the air conditioning condensate line. Several units have been damaged due to condensate lines not being maintained. The Rules and Regulations state that failure to maintain this line would result in negligence on your part, and you would be liable for damage caused not only to your unit, but also to the unit(s) below yours. Contact your air conditioning service provider for advice on how to protect yourself from having this problem.

Golf Cart Insurance

Do you own as golf cart? Do you know that if you cause Bodily Injury or Property Damage while using the cart you are responsible for the injury and property damage? You may even get sued!
The Homeowners policy does not cover the golf cart. It can be added to the policy by endorsement or you can purchase a separate policy. You can also purchase Physical Damage coverage on the golf cart. If you add the golf cart to your Homeowners policy you can also add it to your Umbrella policy.

We suggest you discuss the coverage with your Insurance Agent. IT IS VERY IMPORTANT THAT YOU HAVE INSURANCE ON YOUR GOLF CART!

Christian ♦ Nondenominational

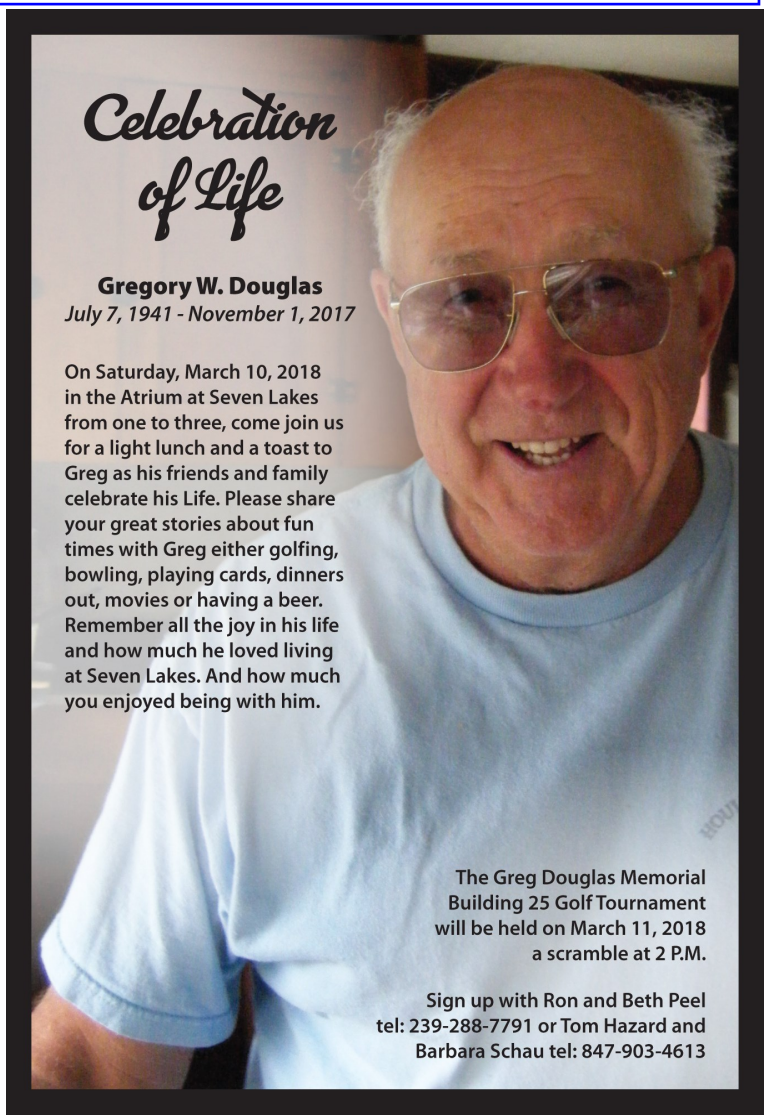
John F. Boland passed away in his home on November 25, 2017. He was 3 weeks short of his 100th birthday.

John and his wife, Ginny, were one of the original residents at Seven Lakes, home for over 39 years. He was an avid golfer, enjoyed being part of the choir, and was a master at crossword puzzles.

John served in the Army Air Corp during WWII, primarily stationed in Alaska. He worked for the U.S. Army for over 30 years. He was a member of the Knights of Columbus and was elected Grand Knight.

John had a quick wit and was a great story teller. He is survived by his wife Ginny, one surviving son, three grandchildren, and five great grandchildren.

In memory of Jo Kent, Building 24, President of the Seven Lakes Bowling League, $150.00 was donated to the SWFBA Junior Bowling League Scholarship fund by her fellow bowlers.



"How lucky I am to have something that makes saying goodbye so hard."
