PRICING STRATEGY

Using a scientific market analysis in your area, we will price your home correctly the first time so that it will sell quickly.

If your home is priced at fair market value, it will attract the largest number of potential buyers in the first few weeks.

If a home is overpriced it will attract the fewest number of buyers looking to purchase a home. The majority of home buyers look at a lot of homes, and they quickly get a feel for the price range that homes sell for in a given condition and location.

PROFESSIONAL STAGING

To make sure your home is shown in the best light to buyers, we will provide a professional staging consultation to ensure your home is ready to go on the market. A stager's job is to neutralize your home to appeal to the maximum number of potential buyers.

PROFESSIONAL PHOTOGRAPHY

In today's market, home buyers are searching online first. It is imperative that the photos of your home are top notch and of the best quality to catch the buyers attention and stand out from the competition. Having more eyes on your home, is the fastest way to get it sold and sell for top dollar.

AGENT MARKETING

We are part of a very large agent network. We will reach out to this network to see if your home might be a great fit for one of their buyers. This agent network is key to connecting buyers with your home as 88% of residential sales involve real estate agents.

ADVERTISING & MARKETING

We know the importance of marketing a property. This is an area we heavily focus our budget on. Our expertise is attracting hundreds of buyers per month, and increasing brand awareness.

A picture says a thousand words

A listing's photos are often the first and sometimes only opportunity to attract a potential buyer. Most buyers are finding their homes online and photos are the first impression of your home. Pictures are the key to getting a home noticed, showings scheduled and therefore sold. As your agents, we will ensure that your listing will be shown in its best light. Many times a buyer has already decided if they are interested in your home just from the pictures online, without ever stepping foot inside your home.

serefits of having aerial photos:

- Developments or local districts that are supported by the buyer's property taxes

VIRTUAL tours

A virtual tour is a sequence of panoramic images that are 'stitched' together to create a 'virtual' experience of a location. Once created, the viewer is able to experience what it is like to be somewhere they are actually not

THE BENEFITS

Utilizing cutting-edge technological solutions, we can narrow in on the most serious buyers. By using virtual tours we can give buyers a good look at your home without disturbing you.

Leaving only the more serious buyers to schedule a showing.

They are interactive by design, which means users spend more time exploring than they would looking at photos. The more invested in the interaction potential buyers feel, the more likely to take the next step in their purchase journey.

Potential home buyers don't like to wait and they want all the information now. Never missing another opportunity. A virtual tour allows your home to be on display around the clock.

Exposes your home to a wider audience. Your home can be toured from clear across the country at anytime.

PROPERTY prochupes

Property brochures are a memorable marketing piece for buyers to bring home with them after a showing. These brochure outline every detail of your home seen and unseen. We love using these to show all the unique details, photos, neighborhood specs, schools, upgrades and features your home has to offer.

NETWORKING

A large percentage of real estate transactions happen with co-operating agents in the country. We will expose your listing to this market.

SIGNAGE

A sign will be placed in your yard as well as pointers and open house signs prior to an open house. These will be placed at the most opportune times to gain the most exposure.

SUPERIOR ONLINE EXPOSURE

Buyers in today's market first start their search online. We will meet your potential buyer where they are...online! Not only will your home be featured in the local MLS, it will also be featured on the major 3rd party real estate sites, and syndicated to literally hundreds of other listing sites. Your home will be featured on our company website, and social media.

EMAIL MARKETING

An email will be sent to our current buyer database of thousands of buyers searching for properties on my website. A new listing email alert will go out to our agent network of thousands of agents in the area.

PROPERTY FLYERS

Highly informative and creative property flyers will be displayed inside your home. These help potential buyers remember the key items and unique features of your home.

LOCK BOX

Lockboxes are essential for the safety of all. They allow an agent to show your house whenever he or she needs to, rather than relying on you the owner for a key. Owners are also expected to vacate the property for showings. Having a lockbox makes this process much easier for all involved.

When we list your home, you will also be signed up with a showing service that immediately communicates with you when a showing is scheduled. When feedback isn't left, we will follow up with those agents requesting their feedback within 24 hours.

A few tips to help your home showings to as smoothly as possible

FLEXIBLE

Be as flexible and accommodating to the buyers schedule as possible. We want to avoid having missed opportunities if at all possible.

INFORMED

Make sure everyone in the home is informed when showings are to happen so they can keep their spaces clean.

DAILY CLEANING

Keep up with daily messes. Wipe down kitchen and bathroom counters before leaving for the day.

ODORS

Avoid strong-smelling foods: Keep your meal prep as neutral and simple as possible.

FURRY FRIENDS

Keep pet areas clean. Clean up after your pets immediately and wash their bedding regularly. Hide pet food or litter. Not everyone is a pet person and it may hinder a potential buyers ability to picture themselves living in your home.

NATURAL LIGHT

Open blinds and curtains and let in as much natural light as possible. Leave lights on before you leave for a showing.

TRASH

Empty trash cans to avoid any odors. Try to empty trash cans nightly so that the home is fresh when you leave for the day.

TEMPERATURE

Keep the room temperature comfortable. This demonstrates to buyers that the HVAC is working properly.

PERSONALS

Make sure you place all valuables and prescriptions out of site and in a safe place.

VACATE

Having a seller present can make buyers feel awkward. We want to make the buyers feel at home and stay awhile.

Price is just one

Price is just one of many considerations when deciding which offer is best for your home. Here are some of the other factors that matter

CONTINGENCIES

The fewer contingencies on an offer the better. Shorter time periods are also valuable.

ALL CASH BUYER

A cash offer is usually more appealing than a finance offer as the seller doesn't need to worry about the bank approving the loan.

PRE-APPROVAL

Assures home sellers that the buyer can get the loan they need.

LOAN TYPE

A conventional loan is often the least complicated. This is an appealing choice for sellers. An FHA loan can cause delays because they require certain repairs and approvals.

CLOSING TIMELINE

You might need to close quickly to move on to the next adventure, or you might need to extend closing to allow time for the next home to be ready. Choosing the offer with the closing time that fits your needs will be most attractive to you.

CLOSING COSTS

Sometimes an offer comes in high, but the buyer asks you to pay a percentage of the buyer's closing costs.

BUYER LETTER

If you care about the future of your home, a buyer letter could assure you that you're selling to someone who will love the home and your neighbors as much as you did.

REPAIR REQUESTS

If the home needs some repairs, but you don't have the time or money to do them, a buyer who is willing to do them for you might be what you need.

OFFER PRICE

Of course price matters too! If a high offer will cost you more in closing costs, repairs or other factors—then it probably won't be the better offer.

NEGOTIATIONS AFTER AN OFFER IS SUBMITTED WF CAN: Accept the offer Decline the offer If the offer isn't close enough to your expectation and there is no need to further negotiate. Counter-offer A counter-offer is when you offer different terms to the buyer. THE BUYER CAN THEN: Accept the counter-offer • Decline the counter-offer Counter the the offer You can negotiate back and forth as many times as needed until you can reach an agreement or someone chooses to walk away. **OFFER IS ACCEPTED** You will sign the purchase agreement and you are now officially under contract! Now inspections, appraisals, or anything else built into your purchase agreement will take place.

Trey and Cecily were very helpful throughout the whole process. They are very attentive, informational, and knowledgeable. They were always available to answer questions and responses quickly. I will recommend them to anyone who wants a pleasant house buying experience. Thank you!

My husband and I highly recommend Trey and Cecily - The Yeatter Group. They were both very willing to help us find the condo of our dreams. Both are super knowledge and just down to earth people. They do not rush you and are willing to continue showing you as many properties as your desire until you find the right one. Cecily was very honest with us regarding any questions I had and you don't always find that with realtors. She was always very responsive to me even though the market in Florida is crazy busy. Cecily went above and beyond my expectations and I am so happy we were able to work with such a great team. If I could give them ten stars, I would. If you are looking for an all around amazing relator, she is the one!

Trey and Cecily helped my husband and I buy our first home together during the COVID-19 crisis. They made it SO easy and were there every step of the way. We had questions and they had answers within hours of us asking. We are so grateful for the help they gave us during such a stressful time. We would highly recommend working with Trey and Cecily- we can't wait to work with them again soon!

Cecily and Trey are absolutely wonderful! We told them when we needed to be out of our current place and what we could afford financially. Anytime we had a question no matter what time of the day it was they always answered. We knew we were in good hands by choosing them to be our realtor to buy our first house. They gave us they unbiased opinion and spoke the truth about everything! Will definitely use them again for our real estate buys!

Trey and Cecily were amazing in helping us buy our dream home from out of state. The process alone of purchasing a house can be intimidating but when you are buying out of state, it's huge! They responded to my inquiry almost immediately and always answered any of my questions in a timely manner. They made sure to always keep us in the know and were reassuring when our nerves got the best of us! Responsiveness and knowledge is key and that is what you will get. I highly recommend The Yeatter Group as your real estate group!

We have purchased two properties with Cecily and Trey. One in 2019 and one in 2021. We find them to be honest and reliable with their transactions. They have always taken the time to be thorough and has always given honest advice about the properties they have shown us. We would highly recommend them to anyone buying or selling.
